Information Technology

ARMADALE SENIOR HIGH SCHOOL
Specialist Program
Information Technology Specialist Program

The Armadale SHS Information and Technology Specialist Program is one of only six statewide Department of Education approved specialist programs in Information and Technology. Armadale SHS is also a CISCO Networking Academy.

In this course students will develop advanced Information Technology knowledge and skills that will prepare them for senior school, employment, TAFE and/or University entry.

Information Technology Program Details

This Program is for Year 8 - 10 Students

• Students will gain a Certificate I in Information Technology which is a nationally recognised qualification.
• Students will also complete the CISCO ICT Essentials course which is an internationally recognised qualification.
• Extension activities, excursions and guest speakers.
• Access to links with Edith Cowan University and Microsoft.

Entry Requirements

To be accepted into the program you need:

• A keen interest in Information Technology
• Good work ethic and behaviour
• Pass skill testing and interview

Expectations

To maintain the integrity of the program students must consistently demonstrate satisfactory work ethic and behavior. Students who are unable to demonstrate this will be integrated back into regular classes.

How do I apply?

Complete the Application form and send it to Armadale Senior High School via email, fax or post.
